

Cell W's week beginning Sunday 7th March 2010

Welcome

Share a time when you received something you didn't think you deserved.

Worship

Praise the Lord that He is generous and gives abundantly.

Word

Read Ephesians 2: 1-10

Does anything in particular speak to anyone?

Grace is mentioned 3 times (v5, 6, 8) in this passage (see also 1.7-8).

Why do you believe grace is important?

How should the grace of God affect our lives?

If it is 'by grace that we have been saved' how might this affect how we share our faith with others?

What 'good works' (of grace?) might we have been created for? (see verse 10)

Witness

How can we minister the grace of God to others?

What impact would that have on the people we meet or work with?

Pray for each other out of the outcome of these discussions.
