

## **Cell W's week beginning Sunday 14<sup>th</sup> March 2010**

### **Welcome**

Share a time when you have received a second chance to be part of God's plan.

### **Worship**

Praise the Lord that He has a plan and thank Him for your part in it.

### **Word**

Read Exodus 2: 1-10

Does anything in particular speak to anyone?

Which character do you identify with most, and why?

Moses mother – seeking to protect her son and then having to leave him to God's care;

Pharaoh's daughter – a unwitting but willing part in God's plan;

Moses sister – being prepared to speak out to help God's plan along.

God's plan can succeed even in the most unlikely of situations – how does that give you hope?

Part of his plan was to give Moses mother a second chance – how does that help us in our lives?

### **Witness**

How can we speak up with boldness in difficult situations?

How can we work out God's purpose for our lives and the part we have to play in His plan?

Pray for each other about the outcome of tonight's discussions.
